OCEANUS

About the company

A group where intelligent design drives every decision – blending tradition with innovation, utility with creativity, and technical expertise with strong management to deliver spaces that truly stand out.

Quality policy

We aim to build well-designed, cost-effective residential and commercial spaces that combine engineering excellence with customer satisfaction, ensuring quality, value, and sustainable growth.

Elevating living standards

Our apartments are crafted with precision, blending superior construction with elegant design. From the strong foundation to the refined interiors, every detail reflects quality and care. Each unit is thoughtfully planned to maximize space and comfort, offering the perfect balance of functionality and style. Experience modern living at its finest – where excellence, comfort, and luxury come together seamlessly.

LUXURY

Like never seen before

It's Trivandrum's one of the premium project And it's from Oceanus-India's finest builder of luxury apartments.

Welcome to Oceanus Irish Gold

A project that will redefine premium living

A state of the art residential project

Crafted with precision and care, Irish Gold offer exceptional quality, smart design, and modern comfort. Every space is thoughtfully planned to maximize functionality and style—setting a new benchmark in luxury living.

HAPPINESS

Premium location

Located at one of Trivandrum's most premium neighbourhoods.
At Thrippadapuram, near Technopark
Kazhakkuttam The IT-capital of Kerala.

A never seen before experience

Infinity pool along with host of exclusive features
make this project one of the most luxurious that
Trivandrum has seen.

A never seen before architecture

Designed thoughtfully for an enriching lifestyle
with focus on space and privacy.

Empowering Eco-Friendly Journey

At Irish Gold, our EV charging facility reflects a
commitment to sustainability- offering residents a
convenient way to power eco-friendly vehicles and
support a greener future.
